September 2016

## Letter from the President

I hope this finds everyone well and well placed in the competition. For those who just enjoy the ride and friends, I wish you a great time! Not a lot going on in my world so I have been pestering the committee members so we can move forward on the projects for which they have volunteered. The three projects we are working on are the evolution of the mentoring system, the pros and cons of becoming a sanctioning body and a better definition of the Executive Committee. For those who have read the by-laws Executive Committee section is a little lacking in specifics and limitations.

I was looking over the current standings and it is great to see all of the juniors who have been competing in the CTR. Keep up the good work, we love having you at the rides! There are also many new names on the ride results. It is great to see new competitors at the Great Lakes rides, too.

We are getting close to the end of the season so now is the time to submit nominations for the Hall of Fame Horse and/or the Hall of Fame Person for 2016. The Hall of Fame is a travelling trophy that was started by Ted and Holly Palmer-Chaff in 1984. They donated a silver trophy bowl that is engraved with the winners, who were nominated and voted on by the general membership at the annual meeting. This recognition is not always awarded since the criteria is significant and not intended to be sentimental or a populist nomination. The Nominees are to be People and/or horses that have made an **outstanding contribution** to distance riding during either a long period of time or an **outstanding achievement** in one year. Since all nominations must be printed in the December/Winter Newsletter before voting takes place at the annual meeting, we need to get their names submitted before November. For more information on this award and other GLDRA annual awards go to <http://www.gldrami.org/11.html> and click on the links.

Well that is all from your fence-riding president!

Happy Trails,  
Carl Dosmann

MICHIGAN HORSE COUNCIL NEWS

Hello GLDRA members!

Hope you've all had a fun and safe riding summer? I know some of us (including myself) have had some rough falls from our horses this season – I hope we are all healing well!

I was unable to attend the first fall MHC meeting this past week. I do know that the lawsuit that ripped the group apart is now completely settled. And MHC was working on a couple of TV ads to promote road safety and driver awareness regarding horses on public roads. A very long overdue education for the general public, as anyone who does any road riding knows! I will have better and more updated info on that with the winter newsletter.

Enjoy the best of Michigan fall riding!

Andrea Redman, MHC rep

**\*\*Please note that I may still be missing some of the BC scores and I'm working on getting them. Also, there are no points for novice in GLDRA, only mileage.**

**The Hall Of Fame** award was started by Ted and Holly Palmer-Chaff in 1984. They donated a silver trophy bowl that is engraved with the winners, who were nominated and voted on by the general membership at the annual meeting. The Nominees were to be ones that have made an outstanding contribution to distance riding during either a long period of time or an outstanding achievement in one year. This is to be a traveling trophy brought back annually and give to the next winners. A committee met in 1992 and recommended these guide lines be put into effect in 1993. Nominations are to be written and publicized at the annual meeting. This could be done with handouts or posters. The candidates should be informed in advance.

**Statement of Intent:**

The purpose of the Great Lakes Distance Riding Association Hall of Fame, is to honor persons and/or horses selected to this position for their outstanding achievements accomplished in this sport.

**Criteria:**

Individuals voting for these nominees should not take the above statement lightly. Time and consideration need to be given to the performances of those nominated to the Hall of Fame.

The votes cast for those nominated should not be spur-of-the-moment decision nor voted for because of sentimental reasons, nor be a popularity contest.

This committee has adopted the following guidelines, which may apply to humans or animals

1. Should have accomplished some MAJOR goals in the sport.
2. Should have returned something to the sport (time, competition, etc.)
3. Consistently shows top performance.
4. Accumulated a fair amount of mileage in competition.
5. Must be a member of GLDRA in the years nominated.

**Nominations DUE for publication in the December Newsletter by December 5th.**
