GLDRA Banquet information

Our annual banquet will be held at the Doherty Hotel in Clare, Michigan on February 4, 2012. The cost will be \$20.00 for adults and \$12.00 for children under 12. Wayne will again be collecting the money and would like to have it by January 25, 2012. Please make your checks payable to GLDRA.

Dr. Rae will be our featured speaker and she will talk about joint supplements. She will begin at 10:15 a.m.

Don't forget your donations for our annual silent auction! This pays for a major part of our year-end awards. We will again be having our "reverse" auction so any items for that would also be appreciated.

Cocktail hour begins at 5:00 p.m. and dinner is at 6:00 p.m.

Please call the Doherty at 1-877-236-4378 for room reservations and remember to ask for the group rate for GLDRA. Also, please feel free to use our guestbook section on our webpage www.gldrami.org to post "room share info" if you are interested in splitting room costs.

Brighton Fall Ride

Hello All;

It may come as a surprise to all of you, but after much discussion, Rose and I have decided to go down to only 1 ride per year, starting in 2012. Although this may be disappointing news to the riders, who we really thank for their support and attendance, we have decided to no longer manage the Brighton Fall Ride.

We have been putting on 2 rides per year for 10 years now and frankly we are just burned out. We independently came to this decision after having to cancel the Fall ride due the strangles situation at the stable this year. We were quite surprised when we finally discussed it and found we all felt the same way. We will still continue to manage the Brighton Spring ride.

We thank the riders for their wonderful support, and offer the Brighton Fall Ride to any GLDRA member who would like to take it over. If someone would like to step up and manage the ride, the ride can remain in existence. Rose and I will offer advice, however we will not be offering to mark trail or help run the ride.

Please let Rose or I know of your interested BEFORE Nov. 2nd as if no one is interested in taking over the Brighton Fall Ride the ride the dates will be offered to another ride manager who has already been contacted.

We regret giving this bad news to the riders and it is with mixed emotions that we made this decision.

We hope you will continue to support our Spring ride in 2012.

Respectfully;

Lisa M. Germann

Roseanna Clark

Brighton Competitive Trail Rides

Carpool Needed

Julie Roe is interested in going to the three UP rides and would like to carpool with someone to share expenses this coming year but would like to leave on Thursdays so horses have a day of rest. Anyone interested in carpooling to the UP rides with Julie let her know.

A letter from Julie Roe.

Well I am a little embarrassed to be sending out this message again only after a year and half of being back in the saddle. For those of you who have not heard I had another accident while attempting a 50 mile comp at the Oak Leaf Ride. Just as Alada and I were completing our first 25 mile loop we crossed trails with another horse who was not quite so friendly, metal shoes came flying at Alada but instead made contact with my knee. We made the mile back into camp hoping that we could continue on but unfortunately my leg did not want to cooperate. After a couple of hours and a few discussions I finally agreed to let Sue Herrick take me to the hospital. The rest is history, I now have a full length leg cast and 12 weeks of confinement. Really as of this writing I am down to 9 weeks but who's counting. I am writing this to once again thank all of you who have stepped forward to help me in one way or another whether it be a phone call, a card or an e-mail. You cannot begin to imagine what your thoughtfulness has meant to me. It was quite overwhelming at first to be here alone and figure out how I was going to take care of myself let alone my animals and prepare for winter. Sue Herrick has been a God Send coming down to help me almost every week. Kathy Cook and Stacey Cooper stepped forward and offered to care for my horses. I cannot thank either of you enough for I know what a big undertaking that would have been for you. Luckily, I was able to place both horses. Dozer returned to his owner and I was able to place Alada locally where she will be taken very good care of. Again I am sending out my thanks to those of you who have helped me through yet another difficult time. Don't you all think that this should be the end? Talking about ends I have one that is getting pretty sore from all this laying around. I certainly will be more than ready to start posting down those trails again. I am looking forward to seeing you all at the GLDRA banquet. Julie Roe

We hope you are all healed up now and look forward to seeing you on the trail again.

Rainbeau Surprise (Siri) May 1, 1985 – Oct. 27, 2011

I lost my old endurance mare and friend in October. She was born while I was coming home from the Battle Creek Hunt 50 mile endurance ride. She was a little earlier than expected so her mom was still out in the pasture with the other horses and my husband was freaking out. We got them in a stall and settled and all was well. She was an independent little filly. When I would put her mom out she would hang out in the barn investigating not following her mother. She learned to lead at a very young age due to this. As she got older she was always pretty laid back and had a tendency to plant her feet and refuse to move. I didn't think she would make that great of a distance horse because she seemed fairly lazy but I was wrong. She went off to the trainers for a month and then I brought her home with me to Charlotte where I was living then and started conditioning on the roads around there. She did really well and we entered our first 25 mile competitive ride the spring of 1990. She did well enough on that one that I moved her up to a 35 mile ride a few weeks later. At that point she did well enough that I decided we were ready for a 50 and we did our first 50 at Grand Island. We finished in 28th place in 6:26. We never went back to competitive after that. She was the first horse that I moved up to 50 miles that soon. She was the first horse I ever did a 100 miles on also, a year later at Grand Island. I remember thinking going into it that it would be nice to get one of those rainbow ribbons they had but there were 15 horses entered in the 100 so it was probably not likely. It was pouring down rain when we started the ride. Riding 100 miles in the rain is not my idea of fun. My plan to go slower than our normal pace went out the window with the rain. I let her do her thing and figured if we got tired we would just pull. She lost her front shoe by the halfway point but that did not cause any problems. At the 75 mile point we were in the top five and an hour ahead of everybody else. We finished in 11 hours and 51 minutes in 4th place and before dark. The picture above is us at the finish of our first 100. She wasn't the prettiest horse around but she loved to do trail and was good at it. She has 2370 recorded AERC miles. We had over 400 miles in a year for the first 4 years that we competed. She could have gone further she was never lame but other things got in the way of us competing at that time. Her AERC record has 46 rides all completions. Most of you that are reading this know her younger sister Rainbeau's Adios. Some of you have seen her wild child son Rocket that I have been working on getting started and perhaps now after reading this you understand why I have not given up on him yet.
