#### **RIDE MANAGER/VET HANDBOOK MAILED**

The Ride Manager/Vet Handbooks were mailed on April 1<sup>st</sup>. Ride managers should have received them by April 8<sup>th</sup>. If you did not receive your handbook and one to mail to your veterinarian, please contact Theresa Meyer at <a href="mayer@tpt.org">tmeyer@tpt.org</a> or 763-753-5236. If you need more copies of the handbook, also let her know, as she has a few extra.

#### The Legend +/ Cup Award

There is a new year end trophy beginning this year for the 2011 ride season. The "Legend+/ Cup" will be awarded to the horse completing the overall highest mileage of the year in sanctioned GLDRA events. The mileage can be for competitive or endurance or a combination of both. The purpose of this award is to recognize the effort it takes to properly condition the horse as well as prepare and execute a season long strategy resulting in attaining the highest number of miles completed during a season in sanctioned GLDRA events. This traveling trophy will be passed to the subsequent winner each year. The Legend+/ Cup is named in honor of Matuks+/ Legend.

#### Pine Marten Ride note

Pine Marten does not have a 50 mile endurance ride on Sunday just on Saturday.

### **Trail Danger**

3 inch spikes found hidden beneath brush, dirt near MTRA trail in Oscoda Co.

OSCODA CO., MI -- The Department of Natural Resources is looking for answers to who is setting dangerous, potentially deadly spikes near public trails on US Forest Service land. An officer with the <a href="DNR">DNR</a> tells 7&4 news the spikes found in Oscoda County couldn't be used for anything other than to puncture tires or inflict harm on people and their animals. The <a href="Michigan Trail Riders Association">MICHAIN MICHIGAN TRAIN MICHIGAN TRAIN MICHIGAN MIC

DNR officers are still combing the trails looking for more spikes and clues that may lead them to who is doing this bizarre action. The MTRA says you need to be aware if you are out riding the trails and if you find one of these spikes, turn it into the DNR. If you have any information, call the DNR Roscommon office at (989) 275-5151.

#### Seven Stages of Aging on horseback...

Stage I: Fall off pony. Bounce. Laugh. Climb back on. Repeat.

Stage II: Fall off horse. Run after horse, cussing. Climb back on by shimmying up horse's neck. Ride until sundown.

Stage III: Fall off horse. Use sleeve of shirt to stanch bleeding. Have friend help you get back on horse. Take two Advil and apply ice packs when you get home. Ride next day.

State IV: Fall off horse. Refuse advice to call ambulance; drive self to urgent care clinic. Entertain nursing staff with tales of previous daredevil stunts on horseback. Back to riding before cast comes off.

Stage V: Fall off horse. Temporarily forget name of horse and name of husband. Flirt shamelessly with paramedics when they arrive. Spend week in hospital while titanium pins are screwed in place. Start riding again before doctor gives official okay.

Stage VI: Fall off horse. Fail to see any humor when hunky paramedic says, "You again?" Gain firsthand knowledge of advances in medical technology thanks to stint in ICU. Convince self that permanent limp isn't that noticeable. Promise husband you'll give up riding. One week later purchase older, slower, shorter horse.

Stage VII: Slip off horse. Relieved when artificial joints and implanted medical devices seem unaffected. Tell husband that scrapes and bruises are due to gardening accident. Pretend you don't see husband roll his eyes and mutter as he walks away. Give apple to horse.
