## **Demitasse Cup**

This award is to be an annual award, donated by The Sherrill Family in honor of their Davenport Arabian mare Demitasse CF, who was just completing her first year of competition when she was killed during a storm. Her own obvious love for the trails inspired this award.

The Demitasse Cup is to be presented to honor a first year rider and/or horse who epitomizes the true spirit of distance riding and recipient will be chosen by the Sherrill Family:

Criteria for selection:

1. Bond between horse and rider.
2. Incorporating the ideal that AWe do this for FUN≡.
3. Welfare of the horse being paramount in the rider=s plan for each ride.
4. An obvious general enjoyment of the sport itself and willingness on the part of a rider to support and continue in the promotion of the sport

## **Dr. & Mary Jeffrey Award**

Given to the person (not necessarily a rider) who attends some or all White River Rides. This award was started in 1991, by Dr. Graham Jeffrey in honor of his wife who died in a riding accident. She loved equestrian sports, especially distance riding. While she had many responsibilities at home, she found time to enjoy a few rides each year. The award is to honor someone who epitomized Mary's quiet dedication to distance riding.

Wayne Gastfield now sponsors this award since, Dr. Jeffrey died. The winner of this award is chosen by a decision of the Vets and Wayne, and is given at the Annual Awards Ceremony.
